## 34-SCHOOL, NAMANGAN, UZBEKISTAN

At school I was not an excellent student, but not stupid either. At school, I liked such subjects as English, geography, history (up to grade 7) and

COLLEGE OF TRANSPORT AND INFORMATION TECHNOLOGIES, NAMANGAN,  
UZBEKISTAN

At the time when I was in college, I mainly studied English and wanted to enter foreign universities, but unfortunately I could not and began to study programming. By the way, I studied accounting in college.

● 2021

## WEB AND TELEGRAM BOTS, RUSSIA

I work in the main Russian market on such platforms as Kwork, Fiverr and start working on Upwork. Never disappointed a customer yet.

● 2021

## NITS SCHOOL, NAMANGAN, UZBEKISTAN

I teach a lesson in the Python language. In the course, students learn how to develop their first desktop program, develop telegram bots and a full-fledged website, and how to get their first order on freelance exchanges.
